SAMSUNG

ViewFinity S65UC Ultra-WQHD Monitor
34" | LS34C654UANXGO

Expand your creative realm.

Enhanced realism through superb colors with 21:9 aspect ratio on a 34" curved display.

Discover Samsung's 34" ViewFinity S65UC monitor. Ultra-WQHD enables you to immerse yourself in games, movies, or design projects. A 34" 1000R curved display surrounds you with a 21:9 aspect ratio. HDR10 provides one billion true-to-life colors, for darker darks and brighter brights. A USB-C port lets you power up your device and transmit data with just one cable, and a LAN port lets you connect to a LAN-less laptop for ethernet use. Featuring AMD FreeSync™ and 100Hz Refresh Rate to eliminate screen stuttering and image tearing. Ergonomic design, with built-in speakers and KVM switch.

Key features

1000R Curvature for Ultra-WQHD
Immerse yourself in games, movies, or design projects. A 34"1000R curved display surrounds you with a 21:9 aspect ratio. The curve closely matches the human field of sight, so you can maximize your screen real estate and reach new levels of productivity with less eye strain.

1 Billion Colors with HDR10
With precise color accuracy, enjoy any content in stunning detail. A wide range of colors, near limitless hues, and HDR10 make dark colors darker and bright colors even brighter. Every piece of content becomes a joy to view, and can be experienced exactly as the creator intended.

Built-in Speaker
Easily listen to content while you work, learn, and play without the need for additional peripherals. With built-in speakers, desk space is freed up by minimizing the connections, for a more efficient environment.

USB-C and LAN Ports in an Ergonomic Design
A USB-C port lets you power up your device and transmit data with just one cable, and a LAN port lets you connect to a LAN-less laptop for ethernet use. Clean cable management combines with an adjustable screen height that tilts and swivels for comfortable, attractive all-day use.

100HZ Refresh Rate and AMD FreeSync™
A 100Hz refresh rate and AMD FreeSync™ work together to keep your screen smooth in any application, so you can forget about screen stuttering and image tearing. See everything and perform your best without missing a single thing.

TUV-Certified Intelligent Eye Care
Keep your eyes fresh and strain-free. For those late-night projects, brightness and color temperature adjust automatically for optimization in any environment. With TUV-certified eye care technology, Samsung protects eyes against excessive blue light with eye-saver mode and a flicker-free feature.

3-year warranty
Samsung's monitor warranty ensures peace of mind for years to come.
