

SUBWAY STATIONS OPENED.

Last Three in Eastern Parkway Branch of I. R. T. Put Into Service.

Three additional stations on the Eastern Parkway branch of the Interborough subway system in Brooklyn were opened yesterday. The stations, expected to serve 40,000 residents, completed the opening of the Eastern Parkway branch, first opened to service several months ago.

The stations are at Bergen Street, Prospect Park Plaza and Institute Park, the last named being opposite the Brooklyn Museum, Eastern Parkway and Washington Avenue.
