MERLIN DIESEL BOSCH EXCHANGE
FUEL INJECTORS & PUMPS

Merlin Diesel remanufacture an extensive range of Bosch diesel Injectors and Pumps.
We have a fully Bosch authorised diesel workshop facility and our Bosch trained technicians use the latest original equipment production methods.
Our workshop uses the most advanced diesel technology in both test equipment and OE software updates, so they can often be superior to the OE injectors and pumps they replace.
All wearable parts and critical components are inspected and replaced with genuine Bosch parts using the correct disassembly and assembly tooling.

REMANUFACTURE KEY FEATURES

- Built with new Bosch OE components.
- Tested and calibrated to Bosch OE specifications.
- Remanufactured units follow the same fit, form and function as OE units.
- One year, unlimited mileage warranty.
