Merlin Exchange Common Rail Pump Range

Bosch Common Rail Pumps

Applications: 25,000+

Vehicle Manufacturer Coverage: 35+

Industries: Passenger, light commercial, commercial, off-highway, selected rail, selected marine & power generation.

Technology Types: CP1, CP2, CP3, CP4, CP5

Delphi Common Rail Pumps

Applications: 3,000+

Vehicle Manufacturer Coverage: 15+

Industries: Passenger, light commercial, selected commercial, off-highway & selected power generation.

Technology Types: DFP1, DFP3, DFP4, DFP6, DFP7

DENSO Common Rail Pumps

Applications: 4,000+

Vehicle Manufacturer Coverage: 15+

Industries: Passenger, light commercial, selected commercial, selected power generation & selected marine.

Technology Types: HP0, HP2, HP3, HP4, HP5, HP6

VDO Common Rail Pumps

Applications: 2,000+

Equipment Manufacturer Coverage: 10+

Industries: Passenger, light commercial & selected commercial.

Technology Types: Piezo, Early & Current Common Rail & High-Pressure Euro 6

Passenger | Light Commercial | Commercial

Off-Highway | Rail | Marine | Power Generation

✓ 1,000 + Part Numbers

✓ 30,000+ Applications
