Middle Georgia State University offers doctorate, master's, bachelor's and associate's degrees, along with career-oriented certificates. These degrees help students develop skill sets that prepare them for today's professional workforce.

The University has dual enrollment opportunities for eligible students who want to earn college credit while completing their high school requirements.

Our Mission

Middle Georgia State University educates and graduates inspired, lifelong learners whose scholarship and careers enhance the region and the state.

Our Values

Stewardship • Engagement • Adaptability • Learning

CENTER FOR MIDDLE GEORGIA STUDIES

mga.edu/cmgs

The Center for Middle Georgia Studies (CMGS) was established to leverage the synergy between academic expertise and community resources to empower individuals and enhance communities.

The Center aspires to become a regionally and nationally recognized hub for community-engaged research, with the goal of creating positive impacts in Middle Georgia by:

- Facilitating collaborative problem-solving
- Sharing knowledge
- Conducting relevant, impactful research

Through these efforts, the Center aims to bridge the gap between university knowledge and community needs, fostering sustainable solutions for the region's pressing issues.

CONTINUING & PROFESSIONAL EDUCATION

mga.edu/continuing-education

The Department of Continuing and Professional Education (CPE) offers a variety of traditional and online learning environments for alumni, senior citizens, adult learners, and working professionals who wish to engage in personal enrichment programs or in training experiences essential to their career development.
